To Whom It May Concern,

Due to COVID-19, all events scheduled at Moda Center and Veterans Memorial Coliseum from May 1 – June 30, 2020 have been postponed or canceled (see chart below). These cancelations have caused financial strain on our stagehands and event staff. To relieve some of this strain, we support stagehands and event staff in applying for Live Nation's Crew Nation Fund supporting live music crews directly impacted by the postponements and cancelations.

Sincerely,

Amanda Mann
General Manager, SVP Rose Quarter Operations
